Welcome to Vantol

At Vantol, we are passionate about delivering superior-quality lubricant and grease solutions to enhance the performance of your vehicles and machinery. With years of expertise and commitment to innovation, we have become a trusted name in the industry. Our journey began with a vision to provide high-performance lubricants that meet the evolving needs of our customers. Today, Vantol stands synonymous with quality, reliability, and excellence.

Vantol 4T

Advanced four-stroke motorcycle oil ensuring superior engine cleanliness and protection.

- **Specifications:** API SL 20W-40
- **Applications:** Suitable for all modern four-stroke motorcycles..
- **Features:**
 - Optimal clutch performance
 - High shear stability
 - Excellent thermal stability

Vantol Gear

High-performance gear oil providing excellent protection for manual transmissions and differentials.

Available SKUs

- **Specifications:** API GL-4
- **Available Grades:** 140 and 90
- **Applications:** Suitable for a wide range of automotive gear systems.
- **Features:**
 - High load-carrying capacity
 - Thermal stability
 - Smooth gear operation

Available SKUs

Vantol Turbo

High-performance multigrade engine oil designed for diesel engines, ensuring optimal performance and protection.

- **Specifications:** API CF-4 15W40
- **Applications:** deal for heavy-duty trucks, buses, and off-road vehicles.
- **Features:**
 - Enhanced oxidation stability
 - Superior wear protection
 - Excellent detergency and dispersancy.

Vantol ATF

Automatic Transmission Fluid engineered for smooth and efficient operation of automatic gear systems.

Available SKUs

- **Specifications:** PS fluid
- **Applications:** Designed for automatic transmissions and power steering systems.
- **Features:**
 - Enhanced frictional properties
 - Excellent oxidation resistance
 - Prolonged transmission life

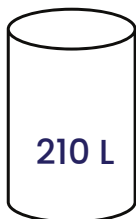

Vantol EDGE Hydraulic

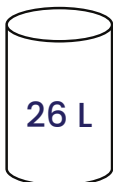

Premium hydraulic oil designed for efficient performance in hydraulic systems..

- **Available Grades:** 68 and 46
- **Applications:** Ideal for industrial and mobile hydraulic systems operating under high pressures.
- **Features:**
 - Superior anti-wear properties
 - Excellent oxidation stability
 - Protection against rust and corrosion

Available SKUs

210 L

26 L

Vantol MPSP Grease

high-performance, multipurpose grease designed for industrial and automotive

- **Features:**

- Superior load-carrying capacity
- Long-lasting protection against wear and corrosion.

Available SKUs

Vantol GEL Grease

Advanced gel-based grease providing consistent performance under variable conditions.

Available SKUs

Features:

- Exceptional adhesion and sealing properties
- High-temperature tolerance
- Superior resistance to contamination

Vantol EP-2 Grease

Extreme pressure (EP) grease engineered for high-stress applications, ensuring smooth operation.

Available SKUs

Features:

- Excellent water resistance
- Superior oxidation stability
- Ideal for heavy-duty applications

Available SKUs

LUBEXON HYDRAULIC

Premium hydraulic oil designed for efficient performance in hydraulic systems.

- **Applications:** Ideal for industrial and mobile hydraulic systems operating under high pressures.
- **Available Grades:** 68 and 46
- **Features:**
 - Superior anti-wear properties
 - Excellent oxidation stability
 - Protection against rust and corrosion

LUBEXON 20W40

High-quality multigrade engine oil ensuring optimal performance in diverse driving conditions.

Available SKUs

- **Specifications:** API CF-4
- **Applications:** Suitable for passenger cars, light trucks, and agricultural machinery.
- **Features:**
 - Enhanced engine cleanliness
 - Excellent wear protection
 - Improved fuel efficiency

Lubexon CNG/LPG

premium multi-grade engine oil specially formulated for CNG and LPG-powered vehicles to ensure optimal performance and longevity.

- **Specifications:** API SF/CF
- **Available Grades:** SAE 20W50
- **Features**
 - Enhanced Engine Protection.
 - Superior Deposit Control
 - Thermal Stability.
 - Low Oil Consumption.
